

# Bi-monthly report

Zhiyuan Tang

6.26.2015

# Previous

1. Test on bilingual ASR, request ID 359

2. Reproducing ASR results of Uyghur with THUGY20, request ID 360

3. Dark knowledge transfer on AURORA4, request ID 383

Recurrent Neural Network Training with Dark Knowledge Transfer, arXiv:1505.04630

Knowledge Transfer Pre-training, arXiv:1506.02256

# Next

Rectifier;

RNN with monophone;

teamwork;

or something else to be happened.

# Conclusion

☹ not positive and active enough;

little time for independent thinking and self-examination;

weak time management skill;

... ..

😊 Even with dull reaction, ambitious to adjust, change and develop myself when confronting challenges.

Thanks to all,

Especially to Mr. Wang, Zhiyong ...
