

# Bi-monthly report

Dong Wang

2015/4-2015/6

# Research work

- ASR
  - Transfer learning
  - Bilingual/Multilingual DNN
  - RNN learning
  - Active/semisupervised learning
- SID
  - RNN speaker vector
  - i-vector clustering
  - Metric learning
- Text processing
  - Relation learning
  - Transfer learning
  - Binary order vectors
- Economic analysis
  - Rule composition
  - Deep prediction

# Research work

- Paper written, 3 journal, 10 conferences
- Paper review for MTAP, Neural computing, NCMMSC, APSIPA, ChinaSIP
- NCMMSC and APSIPA secretary work

# Project work

- Sinovoice collaboration
- Huilan collaboration
- Puqiang collaboration
- Xinsong initialization
- Data release

# Teaching

- Speech processing

# Team work

- Resource management
- Supervise team members
- Setup the finance team
